

## **PHOTO ANALYSIS WORKSHEET 2**

Look at the photo(s) given to you by your teacher, and make some notes answering the following questions:
1. What is the photo about? What do you see straight away?
2. Look at the photo again, what do you see in the background?  What small details can you see in the photo that you might have missed the first time?
3. Briefly describe any activities you can see in the photo. Is there any sign of past activities?
4. How are people connected to the local environment? How are they using the environment?

5. What questions do you have about the place in the photograph, and the people who live and work there?
