

LUCIA'S

KEY WORDS

Key word	Definition
Fairtrade Standards	the requirements that producers and the businesses who buy their goods have to meet for a product to be Fairtrade certified
inequality	the unfair difference between groups of people in society, when some have more wealth, status or opportunities than others
domestic work	work that is connected with the home or family
empowerment	the process of gaining freedom and power to do what you want or to control what happens to you
Premium committee	a group of farmers who are chosen, usually by a larger group, to make decisions about how to spend the Fairtrade Premium in a way that benefits the whole community
discrimination	the practice of treating somebody or a particular group in society less fairly than others

a group of farmers who are chosen, usually by a larger group, to make decisions about how to spend to spend the Fairtrade Premium in a way that benefits the whole community

the unfair difference between groups of people in society, when some have more wealth, status or opportunities than others

the requirements that producers and the businesses who buy their goods have to meet for a product to be Fairtrade certified

LUCIA'S DISCUSSION CARDS

In what ways does Fairtrade support women?

Why is women's empowerment important?

Do you think men and women are treated equally in your society?
What more could be done to ensure gender equality?

Think of a time you were treated differently to others because of your gender.

How did this make you feel? Was this fair?

It's lunch time for Lucia and her family.

What is cooking in the pot?
