Fairtrade has changed my life. Indeed, in a crisis situation, I have an inflow of money for my needs instead of going into debt. And Fairtrade has made me a woman leader.”

Choose Fairtrade

Why switch to Fairtrade?

60% of New Zealand consumers associate Fairtrade with sustainability (Fairtrade Consumer Insights 2023 GlobeScan & Kantar Better Futures 2023)

79% of people trust the FAIRTRADE Mark to deliver for workers in the Global South (Kantar TNS Consumer Research, Q1 2022)

Your customers are now much more aware and interested in where their food comes from, who grows it and how. This trend is putting businesses in the spotlight as consumers want to know that workers are not being exploited. It means ethical consumption is growing fast.

What is Fairtrade?

Fairtrade empowers farmers and workers to improve their living standards, the welfare of their community and our shared environment. Fairtrade achieves this by rallying a global community of millions – farmers and workers, supply chain partners, brands, retailers, shoppers, schools, government – to pay fair prices and uphold fair production standards and practices.

What are the benefits for my business?

Corporate behaviour is under intense scrutiny by an increasingly discerning public who make ethical choices when spending their money. Integrating Fairtrade into your business by switching to Fairtrade purchasing is a highly effective way of showing your customers that you care, and potentially attracting more customers.

Switching to Fairtrade also adds a feel-good factor for staff. Offering Fairtrade products to your staff and customers is a great way to demonstrate that you are a caring business as the FAIRTRADE Mark has a high level of recognition and consumer confidence.

I want to switch to Fairtrade - what next?

There are plenty of Fairtrade suppliers listed in this brochure, or ask your current supplier if you are tied into a contract – many now have Fairtrade options.

If you switch to Fairtrade, take a look at fairtradeanz.org for some resources to promote your products.
